

Jubilee Place

Jubilee Place is situated in the town of Wymondham which is one of Norfolk's most historic towns. Picturesque Wymondham is set by the River Tiffey Valley and the distinctive twin towers of its medieval abbey dominate the skyline. Wymondham is the largest market town in South Norfolk. It lies approx. 9.5 miles to the southwest of the City of Norwich and is on the A11 road to Thetford and London.

The town has a museum, which was once a prison and hosts changing exhibitions about Wymondham and nearby villages.

Wymondham also has its own railway station which lies on the Breckland Line route from Norwich to Cambridge and London via Ely. The town is served by several bus companies and there are regular busses to Norwich and Attleborough.

There is also a doctors, dentists, and opticians in the town. Wymondham has a wide variety of shops, supermarkets, tea rooms, and hosts a market every Friday.

The Jubilee Place scheme consists of 34 bungalows distributed on Rattle Row, Pople Street, Rothbury Road, Elkins Road, The Chestnuts and Queensway; all of which are in Wymondham and are managed by a team of (non-resident) Housing Support Coordinators.

Each property is fitted with a communication system, which allows two-way speech between the Support Coordinators office and the tenants' homes. Pull cords are fitted in every room in the properties, which tenants can use in case of an emergency. Residents are also given an individual pendant. When the Scheme Coordinator is off duty, any emergency calls will be answered by the call centre which is operated 24 hours a day, seven days a week.

Our facilities include a communal room which is furnished and available to all residents for social and recreational activities. The communal area also has a toilet with hoist facility. Adjoining the communal room is a fully equipped kitchen with adjustable worktops, available for residents to make light refreshments. There are also laundry facilities available and are free for tenants living on the scheme to use.
